

JEAN HIMEBAUGH

Lead UI/UX Designer

Address: 610 E. Providencia Ave. #A,
Burbank, CA 91501

Phone: 818-856-0023

Email: jeanthewebmachine@gmail.com

Website: <http://www.jeanthewebmachine.com>

LinkedIn: <http://linkedin.com/in/jeanhimebaugh>

Professional lead UI/UX designer with over 15 years of collective experience in the entertainment, internet, medical, finance and government-space industries. Specializing in user experience and visual design (wireframes, storyboards, user flows, process flows and sitemaps to communicate interaction and design ideas for agile teams) as well as in oral and written communication with executive-level stakeholders (establishing, promoting and ensuring design guidelines, best practices and standards are followed across tools). I enjoy working in a high pressure rapid development environment.

CAREER EXPERIENCE

Sr. Software Engineer Web Technology

Walt Disney Animation Studios

2100 West Riverside Avenue, Burbank, CA 91521

Aug 2013 – Present (4 yrs.)

- Understand underlying user needs and translate into intuitive software experiences
- Work directly with product owners, stakeholders, and engineering to understand user needs, define product vision and road map, and translate them into demonstrable software
- Designing complete user experience for mobile apps and web (app experience necessary) including responsive design
- Translating concepts into wireframes and mockups that lead to intuitive user experiences
- Driving a user experience from start-to-finish that delivers results, connects emotionally, and provides the user with an easy and delightful experience using the product
- Creating wireframes, storyboards, sitemaps and screen flows
- Taking a project from basic wireframes (low-fi) to full UI (high-fi)
- Creating and revising information architecture documents and diagrams including but not limited to: content diagrams, content maps, wireframe diagrams, comprehensive diagrams and static prototypes
- Review user adoption of deliverables and acceptance testing and analyze user feedback and activity, and iterate to enhance the user experience
- Ensure all versions of project UX/UI documents are complete, current, and stored/archived appropriately
- Visual and component designs for icons, typography, color, layout, forms, web and mobile modules.
- Working with client and project teams to complete the information architecture and interface development processes for new production projects including site map, wireframe layout, and template development/testing
- Experience working closely with a Product Manager, Product Designer, Developer Teams and CTO

Visual Marketing Designer

CityGrid Media, IAC

8833 Sunset Blvd, West Hollywood, CA 90069

Oct 2012 – Aug 2012 (11 mos)

- Mobile/Web responsive design experience with PowerPoint presentations for the executive sales team
- Email/Print/Web marketing campaigns for local small businesses
- Lead and mentored marketing design team
- Worked closely with senior execs to quickly sketch out various concepts for rapid decision on design direction
- HTML, CSS, and JavaScript for rapid prototyping.

Certified ScrumMaster

Aug 2013 – Aug 2015 (3 yrs)
Scrum Alliance, Inc.

VOLUNTEER EXPERIENCE

Young Storytellers

Mar 2016 – May 2016 (3 mos)
<https://www.youngstorytellers.com/>

Volunteered for children who needed interaction and confidence at schools through storytelling. The children are at their fifth-grade level and are learning to be more open to share their stories and have us as mentors.

At the end of our ten weeks, we help the young story tellers to showcase their screenplays to a live audience...what they call the BIG Show. It all quite exciting, fun and wonderful!

PROJECTS

VictoriaFifield.com

Oct 2016 – Dec 2016

Created marketing, user experience, web design, responsive development and quality assurance.
